**WHAT YOUR MEMBERSHIP MEANS TO OUR COMMUNITY...** Ultimately = community As a collective, we **gather** our knowledge, skills and resources together, like a living ecosystem of people. We **nurture** each other's gifts, our capacity to generate abundance and **growth**. 100% of membership fees goes towards our community events and activities for the benefit of our members and wider community. For 2020, your membership goes towards;

- Skills for sustainability workshops to be delivered and discounted.
- Event management for the Food for Thought & Movies that Matter monthly events (free for members).
- Nature Kids Club and School holiday programs delivered and discounted.
- Event management of 4 seasonal gatherings for the solstices and equinoxes. This includes camping on a property doing earth care activities, workshops and community connection (members only).
- The earth care projects fund to do revegetation (tree planting) and support - member voted - projects to grow within our wider community.
- Publication of monthly e-news with the event guide & useful blogs.
- Production of the annual events guide & scholarships for workshops and courses.
